HIS FAITHFULNESS

His Faithfulness: Instrumental Hymns Project

With this project, we are aiming to produce a book of music scores along with instrumental and choral recordings. We plan to make new videos for each arrangement and even record some music videos in **beautiful natural locations**, with recording crew and aerial footage, if possible. Keep reading to see the project details.

The purpose

Faithfulness Album is the Christian experience of salvation portrayed on music. Starting on the acknowledgement on sin, and the desire to be cleansed by God, passing through life's trials and clinging on God's grace, until reaching the final hope when we see Jesus, every single hymn in this album will be a part of your story in which you will find that God is faithful and his mercies are forever.

Hymns

The list of hymns to be included in this project is shown below. This list is subject to changes, and since it's so long, we could split it into two volumes. You are welcome to [suggest a favorite hymn in this link](#), however we can't promise it will make it into the list due to the volume of requests.

1. Whiter than Snow
2. At the Cross
3. Great is Thy Faithfulness
4. All Hail the Power of Jesus' Name
5. Beneath the Cross of Jesus
6. Savior, Like a Shepherd, Lead Us
7. God has Spoken
8. Fearfully and Wonderfully Made
9. No Night There - No More Night
10. Near to the Heart of God
11. What a Friend we Have in Jesus
12. Alleluia, Sing to Jesus
13. Sweet By and By
14. This is my Father's World
